AABS Expansion

Agape Association of Bible Schools has now expanded to Zambia and Niger! Pastor Ebersole traveled to Zambia in August to provide four schools with our Bible School resources.

Rev. Marcel Longwa said, ò We have a ve and students who are waiting to start, but we do not have materials.ó we could provide the missing link!

Rev. Harouna, a bishop in Niger who oversees 115 churches, recently purchased three sets of the MOTMOT books. He is operating two Bible Schools and is thrilled to have more courses to train leaders. Niger is a 98% Muslim country.

We have prepared brochures which explain what we offer to pastors who live outside of Ghana. You may request brochures to give to other pastors/leaders.
